LEARN TO SKATE PROGRAMS

Pre-CanSkate (Ages 3 to 5 or first-time Skaters)

Pre-CanSkate is a learn to skate program for ages 3 to 5 or first-time skaters ages 6 to 8. PreCanSkate is designed to give skaters a positive first experience on the ice. Skaters learn through creative activities and teaching methods which are age appropriate. This program will focus on positive reinforcement, basic skating skills, having fun, and will help prepare children for the Fliteway's Figure Skating Club's CanSkate Program. All sessions (classes) include a 15-minute off-ice warm-up, and 30-minute on-ice instruction.

Recommendations / Equipment:

- *We recommend that children have at least 1 skating experience prior to the first class
- * **Helmets MANDATORY!** (Hockey style CSA approved)
- * Requires sharpened skates with good ankle support
- * Recommended skate sharpening: **Bladz Skate Shop** / Located at CastleDowns Arena
- * **Fees are Non-refundable**

CanSkate (Ages 4 and up)

Canskate is Skate Canada's flagship learn to skate program. Skaters must be able to skate independently to qualify for this program. Canskate focuses on fun, participation, and basic skill development. All classes are taught in a group format and are led by an NCCP certified professional coach. Skaters progress at their own rate in a progressive and sequential badge program. Canskate is an excellent starting point for children interested in pursuing Figure Skating, Hockey, Ringette, speed skating, or an interest in acquiring basic skating skills.

Recommendations / Equipment:

- * **Helmets MANDATORY!** (Hockey style CSA approved)
- * Requires sharpened skates with good ankle support
- * Recommended skate sharpening: **Bladz Skate Shop** / Located at CastleDowns Arena
- * **Skate 2 days a week for accelerated progress**
- * **Fees are Non-refundable**

Learn To Figure Skate (ages 5 and up)

Learn To Figure Skate is a group Figure Skating Program for higher level Canskaters. This customized program is designed to further develop the basic skating fundamentals and introduce skaters to figure skating specific skills. It is an introduction to the private / semi-private lesson program. Skaters participating in this program must wear figure skates.

Recommendations / Equipment:

- * Helmets are optional for this program
- * Hair should be tied back if long
- * Athletic clothing or skating dress (no jeans please)
