# 2017-2018 STARSkate Program

## **STARSkate (Figure Skating)**

STARSkate offers athletes of all ages an opportunity to develop fundamental figure skating skills in the areas of ice dance, skating skills, freeskate, and interpretive skating. Unique in Canada, this program teaches figure skating skills in a group, semi-private and private lesson format in a progressive and sequential manner. Skaters have the opportunity to try Skate Canada Tests and compete in local, provincial, national and international level competitions.

## **Junior STARSkate**

This is the starting point for skaters just moving up from the Canskate or the Learn to Figure Skate Program. Skaters entering this program require a base coach(s) and are required to take private/semi-private lessons. Lessons are an additional charge and are paid directly to the professional coach. In the Junior STARSkate Program, athletes will continue to develop all the basic skating fundamentals through our grassroots to champions training system.

## **Intermediate B STARSkate**

This is for skaters that have progressed past a Junior STARSkate level and are capable of handling a more challenging training schedule.

## **Intermediate A STARSkate**

Intermediate A is for skaters who are advanced enough to handle skating some sessions with Senior STARSkate. **Skaters must have approval by the director before registering in Intermediate A.**

## **Senior STARSkate**

Senior STARSkate is an advanced program for higher level skaters. Fliteway provides a comprehensive training schedule suited to meet the needs of both high level test skaters, and those inspiring to reach their full potential competitively. **Skaters must have approval by the director before registering into the Senior program.**

## **Freeskate and Dance Pairs Program**

Offered mornings and Sunday afternoons. Skaters DO NOT require a pair partner to join the Fliteway pairs program. If you are interested in dance or freeskate pairs, please contact Clyde to setup an orientation session.

## **Coaching Director (Clyde Hammer)**

Your feedback and input is always welcomed and greatly appreciated. Please don't hesitate to call, email, or request a meeting to discuss club programming.

## **Making Fliteway Your Home "The Fliteway Family"**

We are a large club with a small town feel. We are a full service club offering programs to skaters of all ages, levels, and abilities. Our professional coaching staff adheres to the high standards of professionalism and are committed to producing not only great athletes, but great people. Fliteway coaches strive to be positive role models for the skaters, empowering them to be confident leaders in all aspects of their life.

## **Membership Has Its Privileges**

One of our mandates is "keeping skating affordable". Fliteway is one of the few clubs in Canada that cover all test day expenses include the Skate Canada Testing Fee. Fliteway also covers all coaching expenses for selected competitions saving parents hundreds and/or thousands of dollars a year. Our fees are some of the lowest in the City for the services and programming we provide.

# STARSkate Payment/Fundraising Tiers

## New Tiered Structure

Bingos have been our primary source of fundraising for the past 15 years. Bingo revenues heavily subsidize a large portion of the STARSkate Program. Over the past few years, bingo profits haven't been as lucrative as in the past, resulting in Fliteway having to work more bingos to meet our subsidy needs. Members choosing not to work their mandatory bingos has also resulted in less revenue for the club. In reference to the above, we have created a 3 tiered fundraising structure. Tier 1 being the most affordable with members choosing to work bingos, volunteer, and participate in additional fundraisers. Tier 2 recognizes busy families and the challenges faced with bingo commitments but will still volunteer and participate in club fundraisers. Tier 3 is for extremely busy families with little or no extra time.
