## CanSkate (Ages 4 and up)

CanSkate is the Skate Canada flagship learn to skate program. Skaters must be able to skate independently to qualify for this program. CanSkate focuses on fun, participation, and basic skill development. All classes are taught in a group format and are led by an NCCP certified professional coach. Skaters progress at their own rate in a progressive, and sequential badge program. CanSkate is an excellent starting point for children interested in pursuing figure skating, hockey, ringette, speed skating, or just an interest in acquiring basic skating skills.

**First Day:** Please arrive at the arena at least 20 minutes before your session starts. Assigned change rooms will be posted on the arena board. Pre-CanSkate skaters will have a 15 minute off-ice warm up prior to going on the ice. Your child will need to have their skates, CSA certified hockey helmet, and skating clothes on for the warm-up. Skate guards are highly recommended! Pre-CanSkate skaters will meet just outside their assigned change rooms prior to the start of the class. Once the off-ice warm-up has started, skaters will be looked after by the warm up leader and no further assistance from the parents will be needed. CanSkate skaters will meet by the ice surface prior to the start of your class.

**Equipment** We strongly recommend you purchase “lace-up” skates instead of molded; this includes both hockey and figure skates. CSA Certified Hockey Helmets are Mandatory for both the Pre-CanSkate and CanSkate programs. Look for helmets that have the CSA approved sticker. **NO BIKE HELMETS!**
