

Where skating takes flite.

2022-2023 Pre-CanSkate/CanSkate Information Sheet

First Day

Please arrive at the arena at least 20 minutes before your session starts. Assigned change rooms will be posted on the arena board. Pre-CanSkate skaters will have a 15 minute off-ice warm up prior to going on the ice. Your child will need to have their skates, CSA certified hockey helmet, and skating clothes on for the warm-up. Skate guards are highly recommended! Pre-CanSkate will meet inside their assigned change rooms prior to the start of the class. Once the off-ice warm-up has started, skaters will be looked after by the warm-up coach and no further assistance from the parents will be needed. CanSkate skaters will meet by the ice surface prior to the start of their class.

Equipment

We strongly recommend you purchase “lace-up” skates instead of molded skates; this applies to both hockey and figure skates. When buying skates, make sure they fit properly. Check to make sure that your child’s ankles remain upright and well supported. Have your child walk around in their skates prior to purchasing them. Avoid buying skates 1 or 2 sizes too big. Skates that fit properly will be snug in the heel area with a little bit of wiggle room in the toe area. Light, breathable socks work best compared to heavy sports socks. We also recommend investing in a pair of skate guards to protect your blades and prevent premature dulling. When the skater has finished skating, a soft cloth can be used to wipe the blades off. Skate guards should never be placed back on the blades after they have been wiped dry.

CSA Certified Hockey Helmets/What To Wear

CSA Certified Hockey Helmets are **mandatory** for both the Pre-CanSkate and CanSkate programs. Look for helmets that have the CSA sticker (NO BIKE HELMETS). Skaters should wear athletic style clothing and avoid bulky snow pants or jeans. It is best to dress in layers to prevent your child from getting cold. Skaters also need to wear mitts or gloves. Furry gloves are not recommended as they tend to stick to the ice.

Communication

Good communication is important to us! Most of our communication, including newsletters, updates, class changes, etc. will be sent out by email. Please make sure your email address listed on your Uplifter Account is up to date. We also recommend following us on [Facebook](#) as any alerts will typically be posted on social media first.

What you can expect

Please keep in mind that Pre-CanSkate and CanSkate are group lesson programs. Groups usually contain around 6-10 skaters per coach with 1 or more program assistants as needed. Each session will consist of a warm-up, group lesson, and short game/fun activity, followed by 5 minutes of free time or practice time. There will be some movement (skaters changing groups) within the first few classes as we sort out the best group to suit and challenge your child’s skating level.

Badges/Certificates

Pre-CanSkate skaters will receive certificates. CanSkate skaters will receive badges and report cards. There are 6 different badges or levels in the CanSkate program and each badge becomes progressively more challenging. Badges will be awarded with report cards on the last day of each session. Please keep in mind that not all skaters will receive a badge every session as it often takes more than one session to achieve a badge.

Financing Available (KidSport/JumpStart) -ask how we can help!

Arena Locations
