

# STAR Academy

## June/July/August

**STAR Academy** is an accelerated *Learn to Figure Skate* program designed for children under the age of 12. It is the ideal starting point for skaters who have completed CanSkate and are interested in pursuing figure skating.

For the months of **June, July, and August**, skaters have the option to skate **one or more days per week**.

- If you are **selecting specific days**, registration must be completed **in person (July/August)**
- If you are registering for a **full week**, as outlined below, you may register **online**.

# STAR Group

## June/July/August

STAR Group is the next step after STAR Academy, designed for skaters who can manage independent practice time. This program introduces **more challenging skills** and provides a structured progression path in figure skating.

For the months of **June, July, and August**, skaters have the option to skate **one or more days per week**.

- If you are **selecting specific days**, registration must be completed **in person (July/August)**
- If you are registering for a **full week**, as outlined below, you may register **online**.
