2026-2027 STARSkate Programs

STARSkate (Figure Skating)

STARSkate offers athletes of all ages an opportunity to develop fundamental figure skating skills in the areas of ice dance, skating skills, freeskate, and artistic skating. Skaters have the opportunity to try Skate Canada Tests and compete in local, provincial, national, and international level competitions.

Junior STAR 1

STAR 1 is the next step after STAR Group and is designed for skaters who are ready to advance into the Junior StarSkate program. STAR 1 includes private and/or semi-private lessons, which are covered in the program fees. Skaters will begin the STAR 1 Skate Canada Testing Structure, which includes dance, skating skills, and freeskate components. This is a pay-one-price, and everything (including your lessons) is included. Skaters will be placed into PODS of approximately 3 skaters. The exit level for the STAR 1 Program is the STAR 3 level.

Junior StarSkate

This is the starting point for skaters just moving up from STAR 1. Skaters entering this program are required to take private/semi-private lessons. Lessons are an additional charge and are paid directly to the professional coach. In the Junior STARSkate Program, athletes will continue to develop all the basic skating fundamentals through our grassroots-to-champions training system. STAR 3-4 Freeskate level for competitions.

Intermediate B StarSkate

This is for skaters who have progressed past a Junior STARSkate level and are capable of handling a more challenging training schedule.

STAR 4-5 Freeskate level for competitions.

Intermediate A StarSkate

Skaters must be able to manage skating on our Senior Sessions.

STAR 5, 6 or Podium Pathway skaters. **Skaters not already in Intermediate A StarSkate must have approval from the director before registering in the Intermediate A program.**

Senior StarSkate

Senior STARSkate is an advanced program for higher-level skaters. Fliteway provides a comprehensive training schedule suited to meet the needs of both high-level test skaters and those inspired to reach their full potential competitively. **Skaters not already in Senior StarSkate must have approval from the director before registering in the Senior program.**

Alumni Package

Suitable for retired skaters or skaters attending university who want to continue skating for fun and fitness. Skaters must be former Fliteway members to qualify. Testing fees are an additional charge. Consideration will be given to skaters still in high school who have completed their tests and are interested in skating for fun and fitness.

Recreational Figure Skating

Suitable for skaters who want to learn figure skating at a recreational level. Lesson fees are included in the fees.

Pairs Academy

Offering dance and freeskate pairs at all levels

2026-2027 Skating Levels, Tiers, And Fundraising

Tier 1 is the most affordable option with members choosing to work bingos, volunteer for events, and participate in additional fundraisers. Tier 2 recognizes busy families and the challenges faced with fundraising commitments.

Policy: To register in Tier 1, members must be committed to participating in all the fundraising events. This includes working bingos! The success of each fundraiser will often depend on numbers. If the member is not meeting their fundraising commitments (failing to participate or missing bingos without notification), they will automatically be transferred to Tier 2. Back payments will be required to the start of the season. **Members choosing to register in Tier 1 but buy out ALL the bingo requirements are required to pay for 2 additional bingos.**
