

Do you need to use a mask?

STEP 1 Squirt One pump of sanitizer on hand

STEP 2: Rub hands together, rub outside of hands and every finger

STEP 3: Remove mask from box or bag

STEP 4: Apply mask by holding ear loops and placing one behind each ear at a time. Adjust nose piece and pull mask snugly under chin

Removing a Mask: Follow Steps 1 & 2

Step 3: Hold both of the ear loops and gently lift and remove the mask away from your face.

Step 4: Discard disposable mask in garbage or place the reusable mask in a bag

Step 5: Repeat Steps 1 & 2 and perform hand hygiene
